... Are you game?

@GamerTag® is an internet café that offers premium internet services while you enjoy some refreshments and snacks or while you game away with your friends.

Our company features the latest games and computers. Our new Intel i7 models

are connected to ultra-high speed internet to bring you the ultimate Internet and LAN gaming experience.

@GamerTag has a wide selection of hardware, such as keyboards and mice, to rent out for our most serious gamers! The store also carries quality surround-

sound headphones and 3-D glasses for 3-D capable games.
